---

### Notions From 'Nita

Hi Everyone! This is Anita here. Jill and Carl are busy what with the FMDAC Convention just getting over with in Niagara Falls, NY, and other stuff she has going on. Mandy is getting ready for her college finals and High School Graduation. Mandy graduates Memorial Day weekend. CONGRATULATIONS MANDY! We will have the minutes from the last meeting which was held in April along with more information on the FMDAC Convention in the next newsletter.

Niagara Falls from the Rainbow Bridge

There is the Old National Pike Hunt coming up May 19, 20, and 21. It is in Uniontown, PA. We have gone to his hunt since he started having them and they are a very good weekend. There is also the 2006 Southern Ontario Beach Hunt on 5/27&5/28 We have a Calendar of events on the Silver Seeker's website, [www.silverseekers.com](http://www.silverseekers.com) along with any hunt flyers on the website that I am sent. You can email them to me at [wmajor@columbus.rr.com](mailto:wmajor@columbus.rr.com). Just please put hunt flyer for website in the subject line so I know not to let my spam box junk it.

I am going to be working on the website as I have finally figured out why I was able to get into it and make changes one time and was locked out the next. I am not telling on myself with any of the particulars but suffice it to say, I learned something about FrontPage I didn't know.

Bonnie Montgomery received the Betty Weeks' Award at the convention and was overwhelmed. She told me she was very touched and honored to receive it. She was going around to different tables and showing people the award. Congratulations Bonnie on a well deserved award. See you at the hunts, Anita
