I see more and more clubs are using electronic newsletters. The Central States Chapter sends the newsletter by email but we still mail it to members who have no computer. For those wishing to read all the news by Email or on the Internet I suggest you go to your local library, get on the internet and go to the FMDAC website. All chapter newsletters are posted there.

Beginning in 2008 the newsletter will still be sent out four times a year and each month a newsflash will be sent out so that you can be updated sooner.

I need comments sent to yours truly stating what you want to see in the newsletter. As you know current goverment updates concerning treasure hunting regulations are posted on the FMDAC website, however, if you want to see it in the chapter newsletter let me know.

REMEMBER: THIS NEWSLETTER WILL BE SENT TO YOUR CLUB FMDAC CLUB REP. WHO WILL BRING IT TO THE CLUB

Club News : Thanks to all club editors for your newsletters, mailed and sent email. In the next newsletter I'll bring you an update from each club.
